Tregan Guitars Syren Signature II in Liquid Blueburst w/ gigbag— Like no other guitar on this planet, this guitar was made to play. With an Ultra fast neck, 24 frets, dual alnico V humbuckers and Syren Wing inlays, the Syren looks as good as it plays. The Syren Signature Series gives you all you need and more. Adding to the Syrens standard features, The Signature Series adds a flame maple top; a Floyd Rose licensed tremolo, Ebony fingerboard, abalone inlays, and a special active/passive switch. The a/p switch turns on a built in preamp to “activate” the passive humbuckers, giving them extra bite and tone. So you can go from cool sweet rhythms to hot burning solos and everything in between. Get the Syren Signature II and find out why Guitar Player Magazine labeled Tregan Guitars as one of the best guitars to buy under \$500. – donated by Tony Guarriello from T.G.
